CALL FOR TENDER n° 2/FM21_ADIRA/2006

Fondation Marrakech 21, association of development, is launching this tender call for **the acquisition and the installation on sites of the equipment relative to two pilot units for the production of drinking water by desalination of brackish water** programmed within the framework of the **ADIRA** project supported financially by the European Union within the framework of the MEDA water project (reference: N° ME8/AIDCO/2001/0515/59610).

1. Subject:

Acquisition and installation of two autonomous systems for the production of drinking water by desalination of brackish water by reverse Osmosis (600l/h and 1000l/h) powered by photovoltaic stations (about 4.8 KWp and 2.7 KWp respectively).

2. Procedure

This national tender call is also open to foreign companies not installed in Morocco, specialized in the field.

3. Financing Program

Meda water – Adira Project- Reference: N° ME8/AIDCO/2001/0515/59610.

4. Adjudicating power

FONDATION MARRAKECH 21 – MARRAKECH - MOROCCO

5. Description

The object of tender is the delivery and the installation on two rural sites of the following equipment:

- Lot n° 1: Two reverse osmosis (RO) desalination units of capacity 600 l/h, and 1000 l/h
- Lot n° 2: Two photovoltaic stations of powers of about 4,8 KWp and 2,7 KWp intended to power respectively the two RO systems quoted in lot n° 1

6. Eligibility and rule of origin

The participation in the procedure is open according to same conditions to all physical and moral persons from **Morocco and the Member States of the European Union**. Companies can apply for one lot or the two lots both.

All the materials and goods provided within the framework of this tender must originate from these countries.

7. Consistency and conditions of withdrawal of the tender documents:

The tender documents include:

- A copy of this call for tender

- Document I (part 1 and 2 of the Specific requirements described in the Tender Dossier), which specifies the general administrative clauses and the payment of the consultation, with models of forms such as the act of engagement, the price list, the declaration on honor.
- Document II (part 3 of the Specific requirements described in the Tender Dossier), which specifies the technical clauses and specifications and terms of references, with appendices containing technical information (listing of the equipment, chemical analyses, plans, and other technical information)

The Tender dossier can be withdrawn directly from the secretariat of the foundation located in the Faculty of Sciences Semlalia, Centre Jaber Ibn Hayan (1st floor), boulevard Prince Moulay Abdallah, 40 000 Marrakech, Morocco, (Tel. 024438186 or 068218879, email: marrakech21@gmail.com). The documents can also be obtained through other means requested by the candidate upon payment of the relevant expenses (postal or quick mail).

The price of acquisition of the tender documents is fixed at 500 DH paid by check or credit transfer to the account of the association Fondation Marrakech 21: n° 022 450 000 014 00 052215 / 03 / 53, Code Swift: MAMC SGMB open at the Moroccan General Company of Bank, agency Marrakech-Gueliz, 29, street of Yougoslavia, Marrakech. The foreign competitors can carry out a credit transfer of the exchange-value in currencies of the above mentioned amount.

Any candidate who carries out the payment by credit transfer must address by fax to the 00 212 24438386 a copy of the transfer order carried out in the name of FM21 by indicating the exact and complete address where the documents could be sent to him if necessary. The sending will be carried out at the choice of the competitor by express mail (DHL, UPS, Chronopost..) or others. The expenses of sending such as all the rights and payable taxes to destination are the responsibility of the applicant.

8. Provisional guarantee

The candidates must provide, during the handing-over of their offers, a provisional guarantee of:

- 6000 DH (or its value in currencies) for Lot 1
- 6000 DH (or its value in currencies) for Lot 2

9. Deadline for the submission of offers and offers opening session

The limiting date for the submission of offers is combined with that of the beginning of the session of opening of offers which will take place December 25, 2006 at 10 am (standard time) in the headquarters of Fondation Marrakech 21:

Location: Faculty of Science Semlalia, Center Jaber Ibn Hayan, 1st floor,
Avenue Prince Moulay Abdallah, PB 2390 Marrakech, Morocco.

Any offer received after the deadline will not be taken into account.

10. Presentation and submission of offers

The offers must be established and presented in accordance with the specification of the rules of consultation described in the specific requirement (Document I, §I).

The documents presented by the competitor, containing the administrative file, the technical file, the financial offer with the various documents in proof, must be put in a closed and sealed envelopes and bearing:

- the name and the address of the competitor
- the object and the tender call number
- the date and the hour of the opening session of the offers
- the warning which " the offer should be open only by the president of the commission in charge of call for tenders at the time of the meeting of examination of the offers "

The folds can either be deposited at the secretariat of the association against a receipt, or sent to the president of FM21 by recommended mail with acknowledgement of delivery. In any case, they must arrive at the office of FM21 at the latest December 25, 2006 at 10 am or given to the President of the commission at the beginning of the public meeting of opening of the folds.
